### Asian Medical Journal Vol. 44, No. 1
January, 2001

**Feature:**

**Risk Management in Medical Practice**

- Approach to Risk Management in Medical Practice: Standpoint of a Hospital
  - Shozo MIYAKE ........................ 1

- Approach to Risk Management in Medical Practice: Standpoint of the Blood Transfusion
  - Hisami IKEDA .......................... 11

- Approach to Risk Management in Medical Practice: Standpoint of Hospital-acquired Infections
  - Mitsuo KITAHARA ..................... 22

### Progress in Clinical Medicine

- Music Therapy and Internal Medicine
  - Hiroshi BANDO ........................ 30

- Insights into the Pathophysiology of Heart Failure Based on a New Concept
  - Akira MATSUMORI ..................... 36

- Control of Triglyceride
  - Nobuhiro YAMADA .................... 42

### Asian Medical Journal Vol. 44, No. 2
February, 2001

**Feature:**

**Guidelines for the Treatment of Diabetes Mellitus**

- New Classification and Diagnostic Criteria of Diabetes Mellitus by the Japan Diabetes Society
  - Takeshi KUZUYA ...................... 49

- Guidelines for Diet Control in Diabetes Mellitus
  — Importance of Food Exchange Lists and Perspectives for the Future —
  - Hiroshi KAJINUMA ................... 57
Correct Teaching Methods of Therapeutic Exercise
— Guidelines for the Treatment of Diabetes Mellitus —
Yuzo SATO .......................... 64
Guidelines for the Treatment of Diabetic Nephropathy
Ryuichi KIKKAWA ................... 71
Principal of Medical Management of Ischemic Heart Disease in Diabetic Patients
Ikuo SEGAWA ........................ 76

Progress in Clinical Medicine
Antihypertensive Drug Therapy in Consideration of Circadian Blood Pressure Variation
Keishi ABE ........................... 83
The Reason Why Prostatic Hyperplasia Causes Lower Urinary Tract Symptoms
Masataka YANO et al. ................. 91

Asian Medical Journal Vol. 44, No. 3
March, 2001

Feature: Health Investment Project: Part Two
(6) Obesity and Lifestyle
Sanae FUKUDA et al. ................. 97
(7) Peptic Ulcers and Lifestyle
Madoka NAKAJIMA et al. .......... 103
(8) Allergic Diseases and Lifestyle
Satoshi TSUJITA et al. ............. 108
(9) Non-insulin-dependent Diabetes Mellitus and Lifestyle
Ichiro NAKAMOTO et al. .......... 119
(10) Behavioral Science for Health Education
Yoshiharu AIZAWA
Hitomi KARUBE ..................... 127

Progress in Clinical Medicine
Interaction between Grapefruit Juice and Drugs
Junichi AZUMA ....................... 136
Topical Use of Steroids in the Aged
Haruko HINO ......................... 142

JMAJ Vol. 44, No. 4
April, 2001

Inaugural Address as President of the World Medical Association
Eitaka TSUBOI ...................... 149

Feature: Arthroplasty
Indications for Total Knee Arthroplasty and Choice of Prosthesis
Hiroomi TATEISHI .................. 153
Indications for Total Hip Arthroplasty and Selection of Prosthesis
Hirokazu IIDA ...................... 159

Complications of Total Hip Arthroplasty and Their Prevention and Management
Susumu SAITO ...................... 165

Progress in Clinical Medicine
Chronobiology in Dysautonomia and Cerebrovascular Disease
Tsunomu KAMO
Yoichi TAKAHASHI ................ 171
Lifestyle is Not the Only Cause of Stroke — Risk Factors Recently Attracting Attention —
Yukito SHINOHARA ................ 177
Early Schizophrenia: A New Clinical Entity
Nobuo NAKAYASU . . . . . . . . . . . . 182

Long-Term Follow-up of an Elderly Patient with the Ankylosis of the Temporomandibular Joint: Case Report
Motohiro OHKOSHI et al. . . . . . . 189

Progress in Public Health
Frequency of Falls and Bone Fractures in the Elderly
Seiji YASUMURA . . . . . . . . . . . . 192

Comorbidity of Depression and Other Diseases
Masaru MIMURA . . . . . . . . . . . . 225
Psychotherapy and Psycho-education of Depression
Kazutaka NUKARIYA . . . . . . . . . 230

Progress in Clinical Medicine
Complications of Total Knee Arthroplasty
Shinichi YOSHIYA et al. . . . . . . 235
Music Therapy in Pediatrics
Toshikazu MATSUI . . . . . . . . . . 241

JMAJ Vol. 44, No. 5
May, 2001

Basic Policies of the JMA
Basic Policies of the Japan Medical Association
Eitaka TSUBOI . . . . . . . . . . . 199

Hearing Loss
Cochlear Implant-Update
Iwao HONJO . . . . . . . . . . . . . . 203
The Cause and Examination of Hearing Loss
Ginichiro ICHIKAWA . . . . . . . . 208
Curable Sensorineural Hearing Loss and Critical Hearing Loss
Jin KANZAKI . . . . . . . . . . . . . . 214

Depression
Depression in the Prime of Life
— Its Characteristics and Precautions Required in Treatment —
Tetsuya HIROSE . . . . . . . . . . 221

JMAJ Vol. 44, No. 6
June, 2001

Feature:
Prevention and Early Detection for Cancer
Carcinogenic Risk Factors
Hiroshi SAEKI
Keizo SUGIMACHI . . . . . . . . . . 245
Prophylaxis and Early Detection for Breast Cancer
Hiroki KOYAMA et al. . . . . . . . 250

Prevention and Early Detection of Colorectal Cancer
Toshio SAWADA . . . . . . . . . . 255

Progress in Basic Medicine
Psychopathology of Social Withdrawal in Japan
Natsuko HIRASHIMA . . . . . . . . 260
Progress in Clinical Medicine
The Status of Hepatitis Vaccines: Type A and Type B
   Shiro IINO .......................... 263
Central Retinal Vein Occlusion (CRVO)
   —Visual Disorder in Patients of Middle and Advanced Age—
   Ikuo TOBARI .......................... 268

Progress in Public Health
Distinction between Dementia and Memory Decline
   Shunsaku HIRAI ......................... 274
Depression Associated with Physical Illness
   Koho MIYOSHI ......................... 279

JMAJ Vol. 44, No. 7
July, 2001
Progress in Clinical Medicine
Optic Neuritis
   —From Diagnosis to Optic Nerve Transplantation—
   Emiko ADACHI-USAMI ................... 291

Medical Care for the Elderly
Causes of Falls in the Elderly
   Fumio ETO ............................ 299
Prevention of Fractures Caused by Falls in Elderly Persons
   Atsushi HARADA ..................... 306

JMAJ Vol. 44, No. 8
August, 2001
Clinical Medicine
Vaccines
Influenza Vaccine in Infants
   Norio SUGAYA ....................... 335
Adverse Health Effects Associated with Vaccination and Related Measures
   Tatsuo KATO .......................... 340
Depression
Postpartum Depression
   Yoshiko MIYAOKA .................... 354
Depression and Suicide
   Yoshitomo TAKAHASHI ................ 359

Poisoning
Cold Remedies and Acetaminophen Poisoning
   Akiyuki OHKUBO ..................... 364

Basic Medicine
Biological Control by Lipid Mediators and Pathophysiology
   Takao SHIMIZU ....................... 369

Public Health
Medical Issues Caused by Development of Transportation
   Kenji HAYASHI ...................... 375
JMAJ Vol. 44, No. 9
September, 2001

**Patient Safety Issues**
- Patient Safety
  - Introduction to the Activities of the JMA and AMA—
    Hokuto HOSHI .......................... 381
- Patient Safety Issues
  - Challenge of the JMA to Protect Patient Safety—
    Eitaka TSUBOI ........................ 382

**Keynote Speeches in the Seminars on Patient Safety**
- It Is Good Medicine — Is It Safe Medicine?
  Nancy W. DICKEY ...................... 385
- A Systems Approach to Error Reduction in Health Care
  Joanne E. TURNBULL ................... 392

JMAJ Vol. 44, No. 10
October, 2001

**Forefront of Vaccine**
- Measles Vaccine/Rubella Vaccine
  Kohji UEDA ........................... 427
- Problems with BCG Vaccination Program in Current Tuberculosis Control
  Toru MORI ............................. 434
- Vaccines for International Travelers
  - Vaccinations, Destinations, Clinics for Vaccinations—
    Nobuhiko OKABE ..................... 441
- The Economic Benefit of Vaccination
  Takamitsu MATSUDAIRA ............. 448

**Clinical Medicine**
- Genetic Diagnosis — Bioethics
  Ichiro MATSUDA ...................... 404
- Diagnostic Criteria for Age-Associated Dementia
  Akira HOMMA ........................ 409
- Psychotropic-induced Water Intoxication and Its Countermeasures
  Akira IWANAMI ...................... 417

**Topics**
- Guidelines for the Use of Antimicrobial Drugs
  Yoshinobu SUMIYAMA
  Shinya KUSACHI ........................ 423

**Music Therapy**
- Social Welfare and Music Therapy
  - Music Therapy Activities at Social Welfare Institutions—
    Tadaaki MARUYAMA .................. 452
- Music Therapy in Terminal Care
  Tomoaki SHINODA .................... 457

**CME Course**
- Randomized Controlled Trials on Hypertension
  Satoshi UMEMURA .................... 461
Protection from Radiological Exposure
Guideline for Justification of Diagnostic Radiology
Yoshihiro HIRAMATSU
Sukehiko KOGA .................469
Patient Exposure Doses During Diagnostic Radiography
Shoichi SUZUKI .................473
Optimization and Guidance Levels for Radiation Protection in Diagnosti X-ray Examinations
Tsuneo ISHIGUCHI ...............480
Radiological Protection of Patient and Operator in Interventional Radiology
Hironobu NAKAMURA ...........484

Problems in Pregnancy
Chronic Disease and Pregnancy Care:
Requisites for Permissible Pregnancy and Timing of Shift to Obstetric Management
Nagayasu TOYODA ..............490
Acute Abdomen in Pregnancy
Shingo KAMEOKA
Shinpei OGAWA .................496
Environmental Factors and Fetal Abnormalities
Osamu WADA .................501
Antiphospholipid Antibody Syndrome and Pregnancy
Nobuya HASHIMOTO ...........508

Basic Policies of the JMA
Basic Policies of the Japan Medical Association
Eitaka TSUBOI .................515
Oxidative Stress
Complications of Diabetes Mellitus and Oxidative Stress
Atsunori KASHIWAGI ...........521
Atherosclerosis and Oxidative Stress
Nobuhiro YAMADA .............529
Cancer and Oxidative Stress
Noriko NODA
Hiro WAKASUGI ...............535

Hypertension and Oxidative Stress
Yasunobu HIRATA
Hiroshi SATONAKA .............540
Patient Safety
Accidents in Medical Practice
— Their Causes and Solutions —
Kiyoshi KUROKAWA ...........546

Table of Contents of Asian Medical Journal & JMAJ
Vol. 44, Nos. 1–12, 2001 .............561
